ub Establishes Price Scholarship

The Health for Victory Club, [illegible] organization of local and [illegible] sponsored by [illegible] J. Price, former supp[illegible] of negro schools, was [illegible] music force for community [illegible] ment during the '40's [illegible] '50's. The Rev. R. Q. Law[illegible] president; Mr. E. T. [illegible] those years tuberculo[illegible] rate was exceed[illegible] high. A patient kept in the [illegible] presented quite a health [illegible]. This dedicated group [illegible] their first objective the [illegible] of a place of isolation, [illegible] patient could be cared [illegible] awaiting a bed in the [illegible]sium.

[illegible] general revision of [illegible] State Health program, the [illegible] period was practically [illegible]ended. Consequently the [illegible] turned their attention to [illegible] area of health.

With the sub[illegible]sequent sale of the property the [illegible] in the Fidelity National [illegible] Bank now stands close to $15,-000.

Because of the County health program seems quite adequate, the club agreed on the establishment of the scholarship fund. Beginning in 1971, annually $500 or more will be used to assist deserving College bound Negro students in Appomattox, Prince Edward and Charlotte. The fund will be administered by the Fidelity National Bank. If it were possible, Mrs. Price would identify and personally thank each club member, church, organization, patron and citizen who made possible the establishment of this fund. As it is, she can only say Thank You and God Bless You All.

Merchants Aid Registration

Pre-school registration was highly successful, reports the county nurse, Mrs. Margaret Shields, reporting on the registration of boys and girls entering first grade next September. Approximately 170 pupils were registered.

Mrs. Shields, Mrs. Brenda Richardson, county health nurse and Mrs. Ben Harvey were in attendance at Appomattox Primary School two days and Pamplin Elementary School one day. If there are any children planning to enter first grade next year who have not been registered, school officials urge that they report to the proper school, either in Appomattox or Pamplin.

Mrs. Shields says that Appomattox merchants were quite generous with gifts for the boys and girls which Mrs. Shields made up into "health packets" to encourage neatness and cleanliness in the children. Appomattox Drug Company (BrodPack) gave tissues King's Market gave toothbrushes and tooth paste, Revco gave combs and Travelers Inn, bars of soap.

Letter To The Editor

April 14, 1970

Dear Mr. Editor:

I would like to add a postscript to my recent letters concerning the April 4 March for Victory in Vietnam. It is unnecessary for me to tell you, the readers of this newspaper, that the news media, radio, tv and press, practically gave it no mention at all, and absolutely no coverage of the enormous preparations, for the march made by Dr. Carl McIntire from Nov. 15, 1969 through to the date of the march. Did you see TV pictures showing the marchers coming down Pennsylvania Avenue? No! Did you hear parts of speeches made by several dignitaries, the highlights of their addresses, presented over TV, radio or the press? No. A meeting of this sort, a group which was 100% patriotic American, would certainly deserve some mention and publicity by the national news media, wouldn't you think? Why do you suppose that the news media would suppress Americanism and blow up and elaborate on everything that is designed to tear down our country? Why are they interested and seemingly determined to do everything they can to aid our enemies in destroying our country? Why do you suppose that a letter went out on White House stationery on March 23 telling a man who had written the president protesting the no-win policy that the "parade and assembly planned by the International Council of Christian Churches was rescheduled for April 4 but has since been postponed at the initiative of a representative of Mr. McIntire's Washington office"? This letter was signed by Noble M. Melencamp, staff assistant to the President. I wonder how many thousands of similar letters went out. The chairman of the Democratic National Committee charged Saturday the administration is violating federal law and Treasury regulations by turning over confidential IRS records, reports Federal Clark Mollenhoff, special counsel to President Nixon, according to an AP report under Washington dateline. Does this make you wonder into whose hands your "confidential" census return might fall?

The march wasn't cancelled, I know, because I was there. Did you ever hear our President say what he intends to do about our boys who are prisoners of war in North Vietnam? What do you think the prisoners of war are thinking down there in the Vietcong tell them of our continuing withdrawal of troops? I wonder how their parents, wives children and loved ones feel about this. It makes me sick to most our political leaders have fallen. Did you read the editorial entitled the Myth of Vietnam in Monday's The News? It states that "Ignoring the 50-year record of Communist conspiracy around the globe, Fulbright called that conspiracy the 'Horriest, hardiest, most indestructible myth of them all'."

The editorial told of how Czarism, was replaced by Communism, and how the Communists subjagated the Baltic states Czechoslovakia, Hungary, Estonia, Latvia, Lithuania, Poland Yugoslavia and attempted to take over Greece, and Communist guerillas were trained in Russia to take over China, North Vietnam, Cuba and North Korea. The editorial ended with the following paragraph: "It is an old Communist technique to tell the most outrageous lies with a straight face and brand the truth a lie. It is a technique the Senator from Arkansas has mastered. He is the leading American apologist for world communism, which he has served well by attempting to lull the American people into a false sense of security – from the platform of the U. S. Senate." In case you are not informed as to the Communists Rules for Revolution, let me quote them for you. (These were captured in Dusseldorf May 1919 by the Allied Forces): "A. Corrupt the young, get them away from religion. Get them interested in sex. Make them sexperficial destroy their ruggedness. B. Get people's minds off their government by focusing their attention on athletics, sexy books and plays and other trivialities. C. Divide the people into hostile groups by constantly harping on controversial matters of importance, 3. Destroy the people's faith in their natural leaders by holding the latter up to contempt ridicule and obloquy. 4. Always preach true democracy, but seize power as fast and a ruthlessly as possible. 5. By encouraging government extravagance, destroy its credit, produce fear of inflation with rising prices and general discontent. 6. Foment unnecessary strikes in vital industries, encourage civil disorders and foster a lenient and soft attitude on the part of government toward such disorders. 7. By specious argument cause the breakdown of the old moral virtues, honesty, sobriety, continence, faith in the pledge word ruggedness. C. Cause the registration of all firearms on some pretext, with a view to confiscating them and leaving the population helpless." Well do you think the rules for revolution are working for the Communists? Read your daily newspaper and see if you can see anything of the above mentioned items mentioned. See how successful the Communists have been in infiltrating this country with their ideas of subversion. See how many people are falling in line with their propaganda. Do you love your country, or are you just interested in your pay check getting to you on time? Are you interested in what your children are being taught in Sunday School, how the Bible is being torn to pieces in so many churches? Did you know that the Revised Standard Version (RSV) Bible is the copyrighted Bible of the National Council of Churches? Did you know that the published aims of the World Council of Churches follow almost exactly the Communist aims? Do you care, or do you think these things don't concern you? Are you interested? There is one man in this country who things this country is worth saving. He is Dr. Carl McIntire, pastor of the Bible Presbyterian Church, Collingswood, N. J. Listen to him on the 20th Century Reformation Hour five days a week from 9:30 to 10 a.m. over the Blackstone radio station around 1440 KC's. We support our boys in Vietnam! We want to win the war in Vietnam! We want prayer and Bible reading back in our public schools! We support the police! Keep sex education out of our schools! We want freedom of choice in our schools! How do you feel about these things
